An overview of our criteria for all products

Properties

Standard property - all standard construction houses and bungalows including ex-council, flats and maisonettes (up to 6 stories) and purpose built apartments (not ex-council).

Non-standard property – all other property types, including ex-council flats and maisonettes (over 4 stories), non-standard construction, defective, high-rise (over 6 stories) or poor remarks on valuation. LTV for non-standard properties reduced by 15% to a minimum of 50% LTV.

Fire Risk Assessment and Cladding - for all flats in blocks (above and below six storeys), an up to date Fire Risk Assessment (FRA) must be in place and submitted with the application. In the following circumstances we also require an External Wall Review - EWS 1 Form; the property is known to have ACM cladding (any height), the property has an unknown cladding type and is above six storeys in height (over 18m), the property has balconies containing combustible materials (any height).

There is **no minimum valuation** on any of the products.

The maximum LTV may be reduced if there is more than a 10% difference between market value and the 90 day projected market valuation.

We'll use whichever valuation comes back the lowest, either the open market valuation, the automated valuation model or the purchase price (whichever is applicable).

The broker or applicant must pay for any valuation that's needed, and it must be submitted with the rest of the pack.

Valuation Bypass Scheme

For all purchases and remortgages, AVM's can be accepted on standard properties. The maximum LTV and loan size may be reduced based on the confidence level.

Non-standard and new build properties are **not permitted**, new build property being defined as being the first sale by the builder.

Credit Profile & Arrears

Product selection is based on **demerits**. A demerit is allocated for each secured arrears, CCI and default registered in the last 12 months.

Arrears demerit points are based on the highest number of arrears in the last 12 months and should be combined where there is more than one secured account.

Up to three settled payday loans in the last 12 months are accepted. One active payday loan will be considered by referral, but must be repaid as part of the new mortgage (remortgage, deed cases and secured loans only).

No declined unsecured arrears in the last 6 months.

Additional criteria is in place for Prime Plus applicants.

Demerits are allocated based on age and value. One demerit is allocated for each CCI and default for:

Unsatisfied: £300 - £10.000

Satisfied: > £3.000

Ignore all: $\leq £300$ or satisfied $\leq £3,000$

Refer: unsatisfied > £10.000

Employed, self-employed, contractors, zerohour contracts and retired applicants accepted.

First Charge Mortgages – Prime Plus

Prime Plus	For our customers with 0 demerits in the last 12 months (max 1 in 36)					
LTV	2-year fixed	Variable
