### What are the key features of this product?

This is a fixed rate mortgage product which means monthly payments will not go up or down during the term of the fixed period. This is different to a discount rate product. The rate of interest is not linked to the Society's Standard Variable Rate (SVR) for mortgages. During the first 3 years the interest rate charged will be fixed at 5.50%.

Three months before this product ends, we will contact you with the options available. If you do nothing at the end of the product period, you will move to the Society's SVR which may mean your payments increase.

This product is available on:

- A Capital & Interest repayment basis. This means your monthly repayments will contribute to paying back the initial loan as well as the monthly interest on the remaining balance. Over time, this will mean the amount owed will reduce and the interest will also reduce.
- An Interest-Only repayment basis. This means that your monthly repayments will only pay back the interest on your initial loan amount. The capital balance will not reduce. You will need to agree with us up front, a suitable method of repaying the initial loan at the end of the mortgage term.

This product is available for properties in England and Wales.

There is no fee payable for setting up this mortgage.

This product is available for loans of at least £100,000 and up to £500,000.

### Who is this product designed for?

This product is designed for customers wanting a residential mortgage who:

- are looking to purchase or remortgage a property.
- have at least a 20% (40% for interest only) deposit/equity in their property.
- are happy to fix their payments now and have certainty that payments will not change until the end of the fixed period.
- do not intend to make overpayments of more than 10% in any of the first 3 years.

## 80% LTV

<b>Portability</b>	This mortgage product is portable to a new residential mortgage on a different property when the new mortgage is taken out simultaneously with the repayment of the existing mortgage. You would need to meet our credit and affordability requirements for the new mortgage, the new property would need to be acceptable to us, and approval of a new mortgage would be subject to our prevailing Lending Policy.
<b>Repayment Method</b>	Capital & Interest or Interest-Only* *Conditions apply, please speak to us
<b>Incentives</b>	None
<b>Restrictions</b>	Lending restricted to England and Wales. This product is available for purchases and remortgages. Minimum property value of £125,000 is required.
<b>Early Repayment Charge</b>	A full or partial capital repayment, which exceeds 10% of the capital balance amount in any one year during the fixed period, will attract an early repayment charge of: 3% until 31.03.2025 2% until 31.03.2026 2% until 31.03.2027
<b>Representative Example</b>	A mortgage of £214,890.00, payable over 22 years, on a capital & interest repayment basis, initially on a fixed rate of 5.50% until 31.03.2027, and then on our Standard Variable Rate, currently 8.10%, for the remaining 19 years. The initial term would require 42 monthly payments of £1,405.06 followed by 222 monthly payments of £1,701.67.  The total amount payable would be £437,568.26, made up of the loan amount (£214,890.00), plus interest (£221,893.26), Standard Valuation Fee (£365), Solicitor Fee (£250), Funds Transfer Fee (£15), and a Mortgage Exit Fee (£155).  <b>The overall cost for comparison is 7.40% APRC.</b>  This information may not be representative of your personal circumstances and your payments may differ from this. Representative data as of 1 <sup>st</sup> January 2023.

\* Once the product matures, the interest rate will revert to our Standard Variable Rate (SVR) unless a new product is taken out. Our SVR is currently 8.10%. This is set by us and may go up or down in the future.

\*\* The Overall Cost for Comparison is given as the Annual Percentage Rate of Charge (APRC) and includes all charges incurred relating to the mortgage/product. The APRC enables you to compare the cost of different products.

\*\*\* The LTV is calculated by us, using your current mortgage balance and our current assessed valuation of your property.
