Lending criteria for brokers

This factsheet is designed to give general guidance to mortgage brokers on the Society's lending criteria. We offer flexibility on income where we can see affordability. Please ask your local contact if you have a slightly unusual case which does not fit the criteria given. We are always willing to look at a case and being a smaller building society, can obtain a quick decision for you.

The customers

- Minimum customer age = 21 years
- All customers must have permanent rights to residency and employment in the UK. We accept both settled and pre-settled status for EU/EEA and Swiss nationals, we will need documentary evidence of their right to live and work in the UK.
- Must be aged 70 or less at the end of the mortgage term, or aged 90 if we are using pension income.
- Employed and self-employed customers are acceptable, subject to income criteria as set out below
- Customers with no income from employment will not normally be considered.
- There is no qualifying period of employment, however a 3 year history of employment must be obtained.

Mortgage term and repayment

- Minimum mortgage term = 5 years
- Maximum mortgage term = 35 years
- Maximum mortgage term on Shared ownership = 40 years
- Owner occupied loans over 75% LTV must be on a capital and interest repayment basis.

Affordability and Income Multiples

The maximum loan is calculated by using the income multiples below, but in some cases the maximum loan may be reduced by the Society's affordability assessment

Household income	Standard residential	Shared ownership
More than £30,000	5 x	4.75 x
Up to £30,000	4.75x	4.5 x

All applicants (and guarantors) must pass the Society's affordability assessment for the loan amount requested. The Society uses a combination of modelled data appropriate to the customer's household and the customer's known commitments to assess whether the mortgage is affordable.

For your convenience we have provided a calculator to give you an indication of the maximum loan available, it can be found at www.newbury.co.uk/intermediaries/affordability-calculator/
